Exquisite mid-century luxury home! Fitting for the pages of noted architectural magazines, the lavish completely furnished home is a true masterpiece dedicated to high design style. Upon stepping into the dramatic entry, you will be immediately drawn to the spectacular kitchen with sleek accents, a full complement of premium appliances, and soaring ceilings. The main living area is spacious beyond comparison, with glass wall systems on 2 sides of the room opening to the swimming pool, elevated sun deck, and outdoor living room. Perfectly separated from other bedrooms, the master suite is a sumptuous oasis within the home that features a fetching spa like bath with rich finishings. Meticulously designed by landscape and lighting architects, the manicured grounds set a lush tropical backdrop for the 2nd bedroom suite and adjacent private patio. The 3rd bedroom opens onto the swimming pool with an outdoor shower just outside the door. Situated on a large corner lot, the estate is entirely surrounded by a privacy wall with covered parking suitable for a golf cart. Located in the Atlantic Beaches neighborhood of
